Re: 2015-2017 Three-Year Election for Retransmission Consent

Dear Sir:

In accordance with Section 76.64 of the Rules of the Federal Communications Commission ("FCC"), this is to notify you that the Stations listed in Attachment A to this letter (the "Stations") elect to require Comcast Communications LLC which serves the community(ies) and/or county(ies) and unincorporated areas within those community(ies) and county(ies) listed on the enclosed 2015-2017 Retransmission Consent Election Statements, to obtain the consent of the Stations for retransmission of their broadcast signals effective January 1, 2015, through December 31, 2017. Consent of the Stations for retransmission of their signals will be required for, but not limited to, the system(s) serving the community (ies) and county (ies) listed on the enclosed Election Statements.

I would appreciate your contacting me to discuss the terms under which the system(s) may retransmit the Station's signal. If you already have a retransmission consent agreement with the Station or with Hearst Television Inc. or a subsidiary thereof (collectively, "Hearst") that covers the Station for all or a portion of the January 1, 2015, through December 31, 2017, cycle, then the terms of that agreement will govern for the period specified in the agreement. If such an agreement expires prior to December 31, 2017, then it will be necessary for you to negotiate for retransmission consent following that expiration. In addition, if any retransmission consent agreement between you and the Station or Hearst contains an automatic renewal provision, then this letter shall also serve as notice of termination of that agreement, and it will be necessary for the system(s) to negotiate for retransmission consent following expiration of the current term of that agreement.

Sincerely,

Jordan Wertlieb
President

2015-2017 RETRANSMISSION CONSENT ELECTION STATEMENT
FOR STATION WAPT

This Statement constitutes the election, pursuant to Section 76.64 of the Rules of the Federal Communications Commission, by WAPT Jackson Hearst Television Inc., licensee of Station WAPT, Jackson, MS (the "Station"), to require Comcast Cable Communications, LLC to obtain the Station's consent beginning January 1, 2015, for retransmission of its broadcast signal by, but not limited to, the cable or multichannel video programming distribution system(s) serving the following community(ies) and county(ies), and any unincorporated areas within these community(ies) and county(ies), and any other areas within the Station's Designated Market Area not specified below:

Bolton-Edwards
Jackson
Pelahatchie
Puckett-Johns
Rankin County

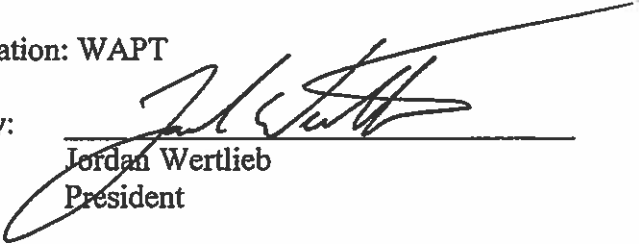

This election is effective for the period beginning January 1, 2015, and terminating as of December 31, 2017.

This will certify that this Statement will be placed in the Station's public file no later than October 1, 2014, and was mailed by certified U.S. mail, return receipt requested, on September 17, 2014 to the following cable system(s):

Mr. Michael Nissenblatt
Senior Vice President, Broadcaster Relations
Comcast Cable Communications, LLC
One Comcast Center
1701 John F. Kennedy Boulevard
Philadelphia, Pennsylvania 19103-2838

2015-2017 RETRANSMISSION CONSENT ELECTION STATEMENT
FOR STATION WAPT

This Statement constitutes the election, pursuant to Section 76.64 of the Rules of the Federal Communications Commission, by Jackson Hearst Television Inc., licensee of Station WAPT, Jackson, MS (the "Station"), to require AT&T Services Inc. to obtain the Station's consent beginning January 1, 2015, for retransmission of its broadcast signal by, but not limited to, the cable or multichannel video programming distribution system(s) serving any areas within the Jackson Designated Market Area.

This election is effective for the period beginning January 1, 2015, and terminating as of December 31, 2017.

This will certify that this Statement will be placed in the Station's public file no later than October 1, 2014, and was mailed by certified U.S. mail, return receipt requested, on September 17, 2014 to the following cable system(s):
